SAFETY
SOLUTIONS***

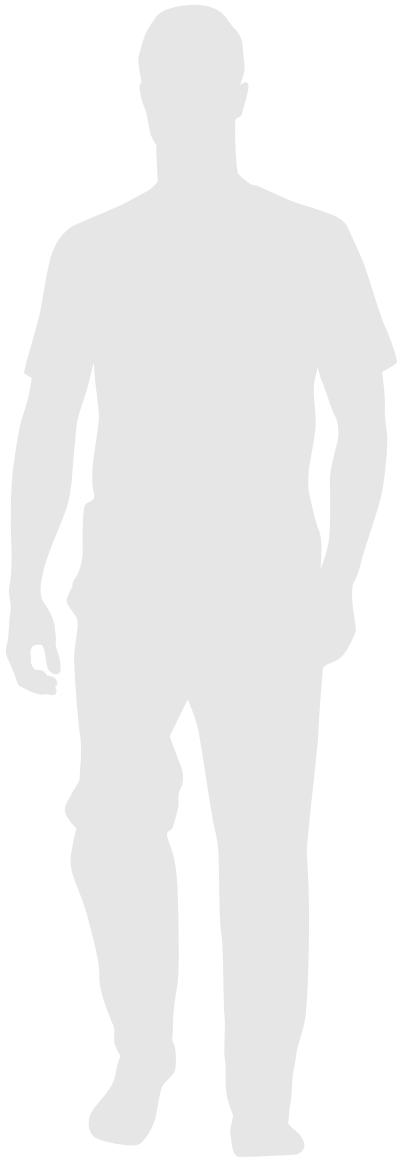

A THING OF BEAUTY

Our blue light housings are expertly formed with sleek contours, offering high-end aesthetics and a modern presence.

FORMED FOR FUNCTION

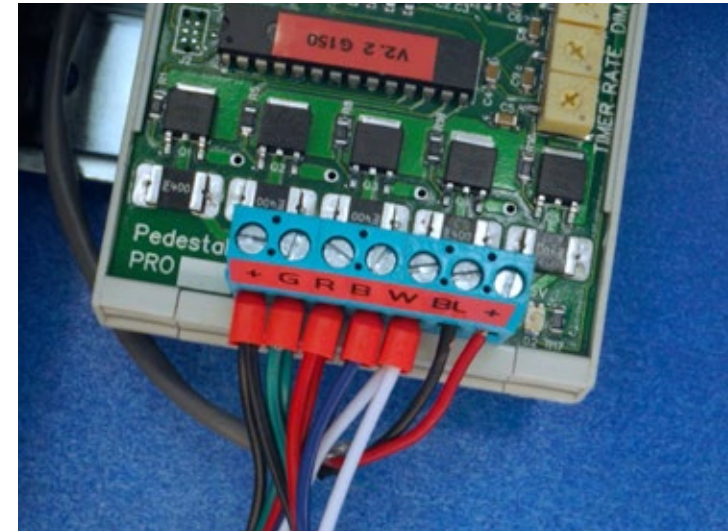

This revolutionary design combines durable materials with innovative functionality, ensuring lasting solutions for safety-critical environments.

LIGHT, YOUR WAY.

PROGRAMMABLE PATHWAY LIGHTING *(Patent Pending)*

Accentuate pathways, steps, and parking lots with programmable pathway lighting from your blue light towers and wall stations. Elevate safety and ambiance together with customizable brilliance.

YOU'RE IN CONTROL

Strobe duration, blink rate, and light intensity are all adjustable in the field. Choose your vertical light color scheme from four combo presets (RGBW).

PATHWAY LIGHTING

A unique display of vertical light strips serve as extra ambient lights and strobes—customizable with programmable presets.

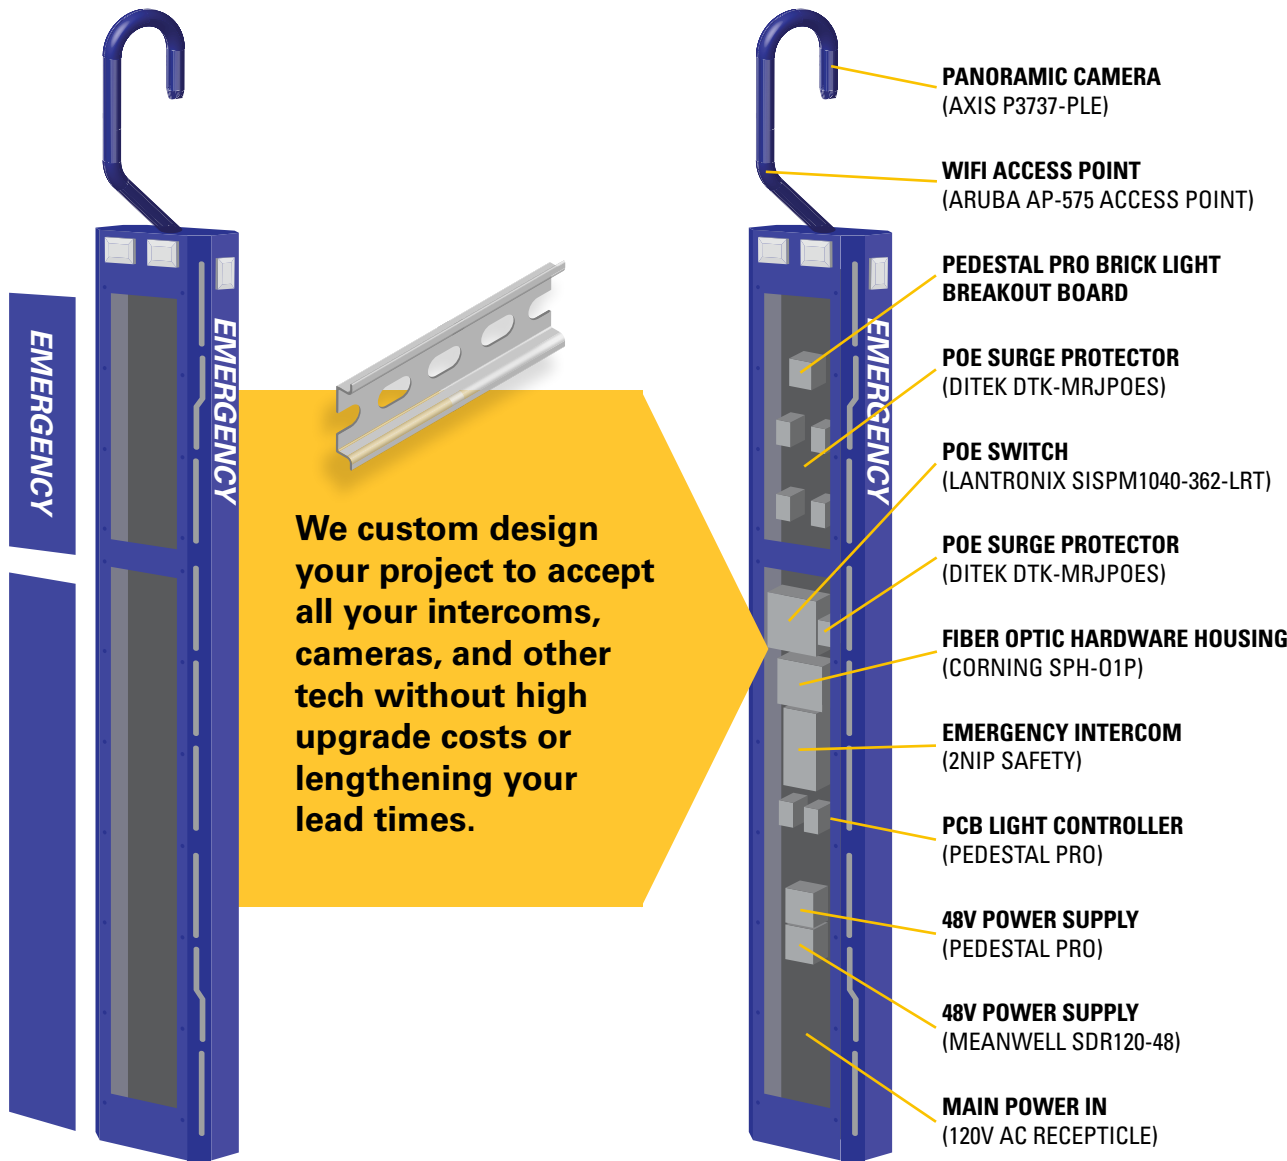

TOP STROBE

The integrated, low-profile brick lights are always on to ensure high visibility and are ready to strobe during emergency situations.

PRIME REAL ESTATE

Our **DIN Rail System** turns your Blue Light Tower into an expandable field-deployable **IDF** (Intermediate Distribution Frame). *You imagine the possibilities. We design and customize.*

(Sample configuration shown for example only.)

PERFECT FOR:

- Cameras
- Wireless access points
- Radio repeaters
- Gunshot detection
- Muster systems
- And much more...

SPEC ANY TECH. CONFIGURE YOUR FIT.

Our blue light housings fit any and all brands. Become an official Technology Integration Partner today.

...and more!

We'll even prepare your blue light housings to fit Code Blue and Talkaphone devices!

YOUR BRAND ELEVATED

Customize the look & feel of your housings with paint colors, reflective decals, and vinyl wraps.
The options are endless.

COLORS

Tough 2 mil powder coating makes a durable finish in any RAL color — choose from our beautiful standard colors or one of your own.

DECALS

Say what you want to say in highly reflective, industrial strength colored 3M vinyl. We print everything in-house.

4-COLOR VINYL

Want a full color wrap? No problem. Detailed branding and advertisement is possible with custom full vinyl wraps.

BUILT ON A SURE FOUNDATION

FAST FOUNDATIONS™

Four simple ways to secure your tower to the ground. When installed correctly, each provides protection from sustained Cat 4 (135 mph) hurricane force winds.

Prefabricated anchor
PART: 66TOW-EMER-01-304

AT YOUR SERVICE

DESIGN

Our in-house engineers are available free of charge and will email *your* specific CAD design within 48 hours.
Email us: info@pedestalpro.com

PRODUCTION

Standard lead time is 12–15 business days. You can expedite your production for a small fee.

MINIMUM QTY

There is no minimum quantity. Yes, we are happy to design and fabricate a single unit.

PACKAGING

All solutions are encased in custom 360° foam and double-wall corrugation and are guaranteed to arrive without damage.

SHIPPING

The good news is, no flatbeds are necessary! Wall Stations (any material) and Ground Towers (aluminum only) are shippable via UPS and FedEx. For heavier stainless versions, LTL is required.

WHAT PEOPLE ARE SAYING

"It's a whole different way to think about the solution.
Pedestal PRO's solution looks better, comes at a better price, and the installation is far easier than competing solutions."

Josh Fagan, Director of Operations
Risk Response Team (RRT), Atlanta GA

PERFECT FOR:

- College Campus
- Medical Centers
- Transportation Hubs
- K-12
- Sports & Entertainment Arenas
- Parking Lots
- Parks & Trails

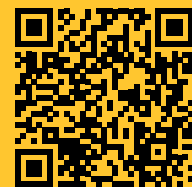

Why Pedestal PRO

CUSTOMIZATION ■ QUICKEST TURNAROUND ■ HIGHEST QUALITY

With more than 500,000 installations worldwide, including projects for Fortune 100 companies, Pedestal PRO manufactures unique mounting solutions to support consultants, integrators, and installers in the security industry.

Using the most precise device integration methods available, Pedestal PRO custom designs premium pedestals, housings, and mounts to accommodate any physical security device or technology specified by its customers.

Recommended readily-available materials, expedited production timelines, and on-time delivery ensures total satisfaction for every project, every time.
